

Technical Online Assistance for Property Owners, Businesses, and Contractors

As the Village of South Holland moves more services from paper to online applications, we have partnered with the South Holland Library to provide technical assistance to those who need help registering and submitting permit applications online. The Library's Reference staff is eager to help you by setting aside an hour to provide the technical guidance you need to:

- ✓ Create an online account
- ✓ Complete an online form
- ✓ Download/upload documents

At the Library you may:

- ✓ Request service in Spanish or English
- ✓ Use your own Apple or Android devices
- ✓ Use your own laptop or a library computer
- ✓ Scan and email documents

To make an appointment please call:

Mon - Thu 10:30AM - 8:00PM
Friday 10:30AM - 5:00PM
Saturday 10:30AM - 4:00PM

**Availability is not guaranteed without an appointment.
